

# Fact Sheet: Cornerstone Baptist Study Trip to Israel – February 2012

**Dates:** Saturday, February 18 to Thursday, March 1

**OUTBOUND:** Depart on Feb 18 on the flight of your choice & arrangement. You need to arrive in Israel on Sunday, Feb 19, so that you will be able to meet with the group that evening and be ready to start out early on Monday, Feb 20. It is a simple and direct trip from Ben Gurion airport in Israel to the hotel on the Mediterranean where we will spend the first night. Indeed, if you would like to arrive a day early to have time to recoup, those arrangements can be made.

**INBOUND:** Thur, Mar 1, again on the flight of your arrangement. We will be staying the final days at the Gloria Hotel, Jerusalem; it is a simple matter to schedule a very reasonably priced group taxi to have you at the airport in plenty of time to make your flight. Again, if you would like to stay extra days, that can be arranged quite easily.

**NOTE:** This affords us *ten* full days of study and travel in Israel – 10 days when we get up in the morning and go to bed at night *in the land*.

**A Distinctive Learning Experience:** This will be a deliberate and thorough *study* trip. Special teaching elements--regular preview & review sessions, instructors/guides who are evangelical Christians & seasoned students of the land & of the history and the culture of Israel, study manuals to enhance the impact of the various regions and sites--are designed to insure that each traveler really learns the land, and thus comes to a deeper appreciation of the way in which the *stage* on which so much of the drama of the Scriptures was played out properly shapes his understanding of that drama itself.

**An Abiding Devotional Experience:** With all of the focus on learning the history & geography of the land, this trip will afford the traveler a special opportunity to ponder what God has to teach us through the biblical narratives and personalities we will be considering. God has spoken to mankind first of all in event revelation (breaking into human history) and then through word revelation (as recorded in Scripture). As we trace many of those "mighty acts" of God in history—events which we will consider at the very place where they occurred—the truth of who God is and what He has wrought will impact you in a way which will stir your soul afresh and make an abiding difference in your life.

**A Delightful Adventure:** Explore the ruins of a crusader castle high above Caserea-Philippi; push through the tunnel dug 2700 years ago by King Hezekiah to protect the city of Jerusalem; scramble down a cliff overlooking the plain of Genesarret; make your way through an archeologist's tunnel along the ancient retaining wall that reshaped the temple mount; climb down the Roman siege ramp built to attack Herod's fortress constructed atop a table rock in the Judean Wilderness. This trip will be punctuated with hikes and special activities of this sort, available to all who are able and interested!

**Itinerary:** The itinerary in Israel is subject to change, but we promise that it will be very complete. The emphases will be as follows:

Mon 2/20 – Wed 2/22 **The Coastal Plains and the Galilee.** For three days we will very carefully explore the region of Galilee, the area which was so strategic to all of biblical history, but especially the life of the Lord Jesus. We will visit Caesarea on the coast of the Sea of Galilee, make our way up to Mt Carmel, explore the eastern Jezreel Valley & the Harod Valley (Beth Shan, En Harod, Jezreel, Moreh) as well as Nazareth, and then spend one night in Nazareth. Then we will give two days to the region of the Sea of Galilee, the Hulah Basin to the north, and the Golan Heights to the east. Our host during this portion will be En Gev, a delightful kibbutz on the shore of the Sea of Galilee.

Thur 2/23 – Fri 2/24 **The Jordan Rift, Dead Sea & Northern Negev** As we depart Galilee, we will drive down the Jordan Rift, stopping at significant spots such as Beth-shan, Jericho, Qumran (Dead Sea Scrolls), En Gedi (the desert spring where David hid from Saul) and Masada (Herod's mountain fortress). We will stop for a swim in the mysterious lake which is the Dead Sea. The next day we will explore the Herodian fortress of Masada, survey the northern Negev (Arad, Beersheba, Ashkelon), southern Judean Hills (Lachish and Guvrim), and then the all important Shephelah, in which area were located the fortress cities which guarded the capital of Jerusalem from foreign invaders.

Sat 2/25 **Samaria / Ephraim Hill Country** For the final days of the tour, we will move into the Gloria Hotel, inside the Old City of Jerusalem. We will travel to the Samaria/Ephraim and visit sites pivotal to the OT narrative (Shiloh, Mt Gerizim/Ebal) and then descend to the Jordan Rift via the Wadi Faria, travel south and ascend the Way of Adummim to Jerusalem.

Sun 2/26 – Wed 2/29 **Bethlehem & Jerusalem.** We will give four days to a thorough investigation of the city where God placed His name, including a visit to the region of Bethlehem. We will carefully study and explore the city itself, walking the streets and the walls of the Old City, visiting important and instructive sites in the modern areas of the city as well, and in all getting to know not only the history of this biblically important city, but its unique peoples and timeless culture as well. On our final day in the Holy City we will trace the movements of Jesus during the week of His Passion.

**Cost: \$2,150.** Note that this is a trip of 13 days, which includes 10 *full study days in Israel*, with guide/teacher throughout the trip, all lodging, travel, entrance fees and incidentals paid. On the other hand, understand that the cost does not cover airfare, travel from and to the airport in Israel, lunches or any personal items (gifts, snacks, personal travel, etc.). Single Room Supplement: \$600.

**Restrictions and Requirements:** This study trip will demand more of the traveler than the ordinary tourist trip, both in terms of daily schedule and physical exertion. Darkness comes earlier in February, and thus our days will begin early and involve several hours of study and hiking. It is important that each traveler be capable of walking 1 to 2 miles a day, often up and down steep hills, and possibly in rainy weather. Finally, remember that you must be in possession of a *valid and unexpired passport* [i.e., which does not expire within six months of the departure date].
