

FactSheet: Central Christian Church – Mar/Apr 2011 Study Trip to Israel

Dates: Sunday, March 27 to Friday, April 8, 2011

OUTBOUND: Depart on Sun, March 27 on the flight of your choice & arrangement. You need to arrive in Israel on Mon, Mar 28, so that you will be able to meet with the group that evening and be ready to start out early on Tuesday, Mar 29. It is a simple and direct trip from Ben Gurion airport in Israel to the hotel on the Mediterranean where we will spend the first night. Indeed, if you would like to arrive a day early to have time to recoup, those arrangements can be made.

INBOUND: Fri, Apr 8, again on the flight of your arrangement. We will be staying the final days in Jerusalem at the Gloria Hotel; it is a simple matter to schedule a very reasonably priced group taxi to have you at the airport in plenty of time to make your flight. Again, if you would like to stay extra days, that can be easily arranged.

NOTE: This affords us *ten* full days of study and travel in Israel – 10 days when we get up in the morning and go to bed *in the land*.

A Distinctive *Learning Experience:* This will be a deliberate and thorough *study* trip. Special teaching elements--regular preview & review sessions, instructors/guides who are seasoned students of the land & of the history and the culture of Israel, study manuals to enhance the impact of the various regions and sites--are designed to insure that each traveler genuinely learns the land, and thus comes to a deeper appreciation of the way in which the *stage* on which so much of the drama of the Scriptures was played out properly shapes his understanding of that drama itself.

A Delightful *Adventure:* Explore the ruins of a crusader castle high above Caserea-Philippi; push through the tunnel dug 2700 years ago by King Hezekiah to protect the city of Jerusalem; scramble down a cliff overlooking the plain of Genesarret; make your way through an archeologist's tunnel along the ancient retaining wall that reshaped the temple mount; climb the narrow snake path to Herod's palace fortress atop a table rock in the Judean Wilderness. This trip will be punctuated with hikes and special activities of this sort, available to all who are able and interested!

An Abiding *Devotional Experience:* With all of the focus on learning the history, geography and terrain of the land, as well as upon exploring every corner and ascending every height in this very special place, we will take the time to ponder what God has to teach us through the biblical narratives we are considering and the biblical personalities we are remembering. God has spoken to mankind, first of all in event revelation (breaking into human history) and then through word revelation (as recorded today in Scripture). As we trace many of those "mighty acts" of God in history—events which we will consider at the very place where they occurred—the truth of who God is and what He has wrought will impact you in a way which will stir your soul afresh and make a difference in your life.

Itinerary: The itinerary in Israel is subject to change, but we promise that it will be very complete. The emphases will be as follows:

Tue 3/29 – Thur 3/31 **The Coastal Plains and the Galilee.** For 3 days we will very carefully explore the region of Galilee, the area which was so strategic to all of biblical history, but especially the life of the Lord Jesus. We will visit Caesarea on the coast of the Mediterranean Sea, make our way up to Mt Carmel, across the Valley of Jezreel (Megiddo, Jezreel, En Harod, Nazareth, Sepphoris), and then the region of the Sea of Galilee, the Hulah Basin to the north, and the Golan Heights to the east. Our host during this portion will be En Gev, a delightful kibbutz on the shore of the Sea of Galilee.

Fri 4/1 – Sat 4/2 **The Jordan Rift, Dead Sea, Northern Negev & Shephelah.** As we depart Galilee, we will drive down the Jordan Rift, stopping at significant spots such as Beth Shan, an overlook of Jericho, Qumran (Dead Sea Scrolls), and En Gedi (the desert spring where David hid from Saul). We will stop for a swim in the mysterious lake which is the Dead Sea, explore Masada (Herod's mountain fortress), and make our way to Arad and then a kibbutz on the Negev. The next day we will make our way north across the Negev to Beersheba, and then across the Shephelah, exploring the western approaches to the hill country and Jerusalem.

Sat 4/2 – Sun 4/3 **Jerusalem Approaches/Preview of Jerusalem.** We consider the very strategic approaches to the Holy City from the west (so important to the biblical narrative and to the later and modern history of the city), and then explore the region south of the city – Bethlehem & the Herodian).

Mon 4/4 – Thur 4/7 **Jerusalem.** We will give four days to a thorough investigation of the city where God placed His name. We will carefully study and explore the city itself, walking the streets and the walls of the Old City, visiting important and instructive sites in the modern areas of the city. These days will be given to getting to know not only the history of this biblically important city, but its unique peoples and timeless culture as well. On our final day in the Holy City we will trace the movements of Jesus during the week of His Passion.

Land Cost: \$2,075. Note that this is a trip of 13 days, which includes *10 full days in Israel*, with guide/teacher throughout the trip, all lodging, travel, entrance fees and incidentals paid. On the other hand, understand that the cost does not cover airfare, travel from and to the airport, lunches or any personal items (gifts, snacks, personal travel, etc.). Single Room Supplement: \$600.

Restrictions and Requirements: This study trip will demand more of the traveler than the ordinary tourist trip, both in terms of daily schedule and physical exertion. Our days will begin early and involve several hours of study and hiking. It is important that each traveler be capable of walking 2 to 3 miles a day, often up and down steep hills, and very possibly in rainy weather. Finally, remember that you must be in possession of a *valid and unexpired passport* [i.e., which does not expire within six months of the departure date].

Note: It is recommended that travelers consider purchasing **accident/health insurance** for the trip. If your health insurance does not adequately cover you when abroad, consider short-term policies that cover only the time you are in Israel; they are quite affordable, and they do provide thorough and accessible coverage. An Israeli provider which has worked well is Chacoty Sasson General & Life Insurance Agency, on the web at www.chacoty.co.il. Click *Options*, then *Insurance for Tourists*; download, print and complete the application form and submit it by fax. Allow at least two weeks to accomplish this.

Travel Insurance is also recommended – it covers cancellation, trip delay, baggage delay, lost luggage, health coverage, emergency evacuation, etc., & usually must be purchased at least 14 days before departure. A recommendation: www.travelinsured.com. Use agency number 45817 in an online application.
