

Fact Sheet: Bookman Ministries/STS Study Trip to Israel – October 2011

Dates: Thursday, September 29 to Wednesday, October 12

OUTBOUND: Depart on Sept 29 on the flight of your choice & arrangement. You need to arrive in Israel on Friday, Sept 30, so that you will be able to meet with the group that evening and be ready to start out early on Saturday, Oct 1. It is a simple and direct trip from Ben Gurion airport in Israel to the hotel on the Mediterranean where we will spend the first night. Indeed, if you would like to arrive a day early to have time to recoup, those arrangements can be made.

INBOUND: Wed, Oct 12, again on the flight of your arrangement. We will be staying the final days at the Gloria Hotel, Jerusalem; it is a simple matter to schedule a very reasonably priced group taxi to have you at the airport in plenty of time to make your flight. Again, if you would like to stay extra days, that can be arranged quite easily.

NOTE: This affords us *eleven* full days of study and travel in Israel – 11 days when we get up in the morning and go to bed at night *in the land*.

A Distinctive Learning Experience: This will be a deliberate and thorough *study* trip. Special teaching elements--regular preview & review sessions, instructors/guides who are evangelical Christians & seasoned students of the land & of the history and the culture of Israel, study manuals to enhance the impact of the various regions and sites--are designed to insure that each traveler really learns the land, and thus comes to a deeper appreciation of the way in which the *stage* on which so much of the drama of the Scriptures was played out properly shapes his understanding of that drama itself.

A Delightful Adventure: Explore the ruins of a crusader castle high above Casearea-Philippi; push through the tunnel dug 2700 years ago by King Hezekiah to protect the city of Jerusalem; scramble down a cliff overlooking the plain of Genesaret; make your way through an archeologist's tunnel along the ancient retaining wall that reshaped the temple mount; climb the narrow snake path to Herod's palace fortress atop a table rock in the Judean Wilderness. This trip will be punctuated with hikes and special activities of this sort, available to all who are able and interested!

An Abiding Devotional Experience: With all of the focus on learning the history and geography and terrain of the land, as well as upon exploring every corner and ascending every height in this very special place, we will take the time to ponder what God has to teach us through the biblical narratives we are considering and the biblical personalities we are remembering. God has spoken to mankind, first of all in event revelation (breaking into human history) and then through word revelation (as recorded today in Scripture). As we trace many of those "mighty acts" of God in history—events which we will consider at the very place where they occurred—the truth of who God is and what He has wrought will impact you in a way which will stir your soul afresh and make a difference in your life.

Itinerary: The itinerary in Israel is subject to change, but we promise that it will be very complete. The emphases will be as follows:

Sat 10/1 – Mon 10/3 **The Coastal Plains and the Galilee.** For three days we will very carefully explore the region of Galilee, the area which was so strategic to all of biblical history, but especially the life of the Lord Jesus. We will visit Caesarea on the coast of the Sea of Galilee, make our way up to Mt Carmel, across the Valley of Jezreel, and then the region of the Sea of Galilee, the Hulah Basin to the north, and the Golan Heights to the east. Our host during this portion will be En Gev, a delightful kibbutz on the shore of the Sea of Galilee. Before heading south, we will explore the eastern Jezreel Valley & the Harod Valley (Beth Shan, En Harod, Jezreel, Moreh) as well as Nazareth, and then spend one night in Nazareth.

Tue 10/4 – Wed 10/5 **The Jordan Rift, Dead Sea & Northern Negev** As we depart Galilee, we will drive down the Jordan Rift, stopping at significant spots such as Beth-shan, Jericho, Qumran (Dead Sea Scrolls), En Gedi (the desert spring where David hid from Saul) and Masada (Herod's mountain fortress). We will stop for a swim in the mysterious lake which is the Dead Sea and explore the Herodian fortress of Masada. The next day we will survey the northern Negev (Arad, Beersheba, Ashkelon) & southern Judean Hills (Lachish and Guvrim).

Thur 10/6 **Benjamin/Jeshimon, & Shepheelah** For the final days of the tour, we will move into the Gloria Hotel, inside the Old City of Jerusalem. First of all we will consider the all-important approaches to the city of Jerusalem, the Judean Wilderness to the east and the lowlands ascending from the coastal region to the west of Judah/Jerusalem.

Fri 10/7 – Wed 10/12 **Bethlehem & Jerusalem.** We will give five days to a thorough investigation of the city where God placed His name, as well as a visit to the region of Bethlehem. We will carefully study and explore the city itself, walking the streets and the walls of the Old City, visiting important and instructive sites in the modern areas of the city as well, and in all getting to know not only the history of this biblically important city, but its unique peoples and timeless culture as well. On our final day in the Holy City we will trace the movements of Jesus during the week of His Passion.

Cost: \$2,150. Note that this is a trip of 14 days, which includes 11 *full study days in Israel*, with guide/teacher throughout the trip, all lodging, travel, entrance fees and incidentals paid. On the other hand, understand that the cost does not cover airfare, travel from and to the airport in Israel, lunches or any personal items (gifts, snacks, personal travel, etc.). Single Room Supplement: \$550.

Restrictions and Requirements: This study trip will demand more of the traveler than the ordinary tourist trip, both in terms of daily schedule and physical exertion. Darkness comes earlier in October, and thus our days will begin early and involve several hours of study and hiking. It is important that each traveler be capable of walking 1 to 2 miles a day, often up and down steep hills, and possibly in rainy weather. Finally, remember that you must be in possession of a *valid and unexpired passport* [i.e., which does not expire within six months of the departure date].

If your health insurance does not adequately cover you when abroad, consider short-term policies that cover only the time you are in Israel; they are quite affordable, and they do provide thorough and accessible coverage. An American company which provides policies primarily for Christian workers is MissionaryHealth.net. The contact is (800) 647-4589, or e-mail to health@missionaryhealth.net, or consult their website: www.missionaryhealth.net. An Israeli provider which has worked well is Chacoty Sasson General & Life Insurance Agency, on the web at www.chacoty.co.il. Click *Options*, then *Insurance for Tourists*; download, print and complete the application form and submit it by fax. Allow at least two weeks to accomplish this.

Further, it is strongly recommended that you purchase **Trip Cancellation** Insurance. A fine company: www.travelinsured.com. Insert in the Agency Code Box: 45817
